

# 2018 Back Pack & School Supply Drive

**You Can Have a Great Impact!**

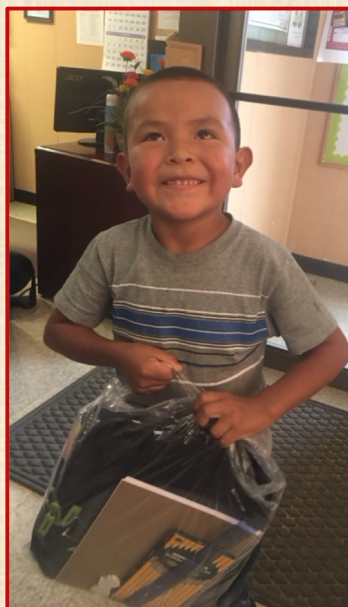

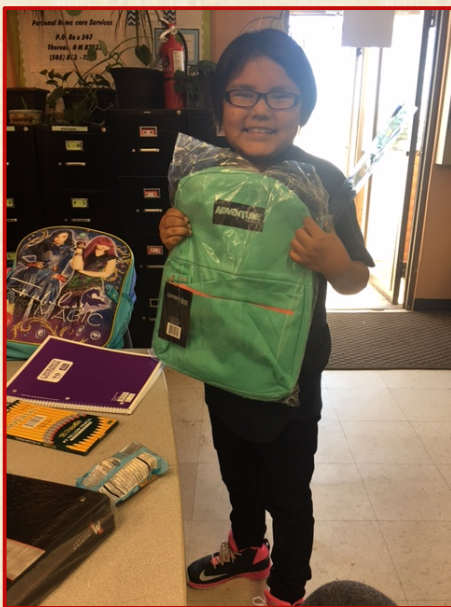

Wings of Faith has served **Native American children** with school supplies for many years. Last year, 3,000 kids received back packs and/or the basic materials to give them confidence as they continue their education.

This year, two generous donors have enabled a **Matching Grant of \$7,500** to kick start the drive! Please help us achieve our goal of raising \$20,000 to purchase back packs and school supplies and pay for the fuel to fly to remote

locations (or drive when poor weather conditions prevent our pilots from getting airborne).

**Your donation will purchase** back packs, pencils, paper, notebooks, erasers, scissors, glue, crayons and other essentials for kids from struggling families who desperately need a basic education.

Some of the Reservations where we help **serve in Jesus name** include the Navajo, Hopi, Apache, Paiute and Colorado River Tribes.

Please donate online at [FlyWithWings.org/donate](http://FlyWithWings.org/donate). Or mail your check to Wings of Faith Ministries, P.O. Box 524, Tustin, CA 92781. Wings of Faith is a registered 501(c)(3). Your donations are tax deductible. Federal Tax ID number: 95-3480924. Many thanks and God bless you!
